Cloud39 is South East Auckland's first and only co-working, childcare and out of school care innovation and community precinct. Conveniently located at the end of Bishop Dunn Place, Cloud39 provides easy access to our members living in neighbouring suburbs of East Tamaki, Flat Bush, Beachlands, Howick, Manukau and South and East Auckland. Boasting a 600 square metre double storey, high stud, purpose built construction with unique design elements and inspirational decor. Cloud 39 is the perfect meeting, co-working and out of school space for children, youth and working parents.

Cloud39 is only minutes away from both of Auckland's southern and south western motorways and is just south of the expansive Botany town centre. The proximity to most major South East Auckland suburbs allows working parents from all over the area to co-work closer to home, family and stay away from everyday rush hour traffic.
