246 Queen St is leading the way in the regeneration of Auckland CBD's 'midtown.'

Developed originally in the 60's, 246 Queen Street was a proud nexus of architectural vision, forward-looking fashion retail, and urban sophistication. Now, it stands ready to make its bold return as a revitalised mid-city icon. A full renovation from developer Wilshire Group in collaboration with Fearon Hay will transform this central Queen Street location into a new high-quality landmark for the city.

Occupiers that are looking for beautiful office spaces and substantial amenities, your new company home is at 246 Queen.

Office floors feature a superb 4m stud height and total over 1,000sqm per floor. On completion, the central floor-to-ceiling light well will feature right through the office floors down to the lobby. Part floor, full floor or multi floor opportunities are available.
